

2021 SUMMER WORK & LEARNING PROGRAM

June 28th-August 6th, 2021

Get PAID to work and learn!

Virtual and In-person hybrid models

Overview

- Work at various community sites through hands-on service learning experiences
- Work online to create a team-based learning project
- Attend workshops
- Complete statewide curriculum
- Receive a certificate for completing an accredited training course (ex: OSHA-10)
- Meet regularly with a supervisor and an adjustment counselor
- Build employable skills

Eligibility

In order to qualify, youth must one or more of the following:

- Have proof of being in a low-income household
- Have a documented disability or health condition with or without an IEP/504
- Be enrolled in ELL classes
- Have past or current involvement with DYS or DCF
- Failed one or more high school MCAS's or core classes

*This is not a comprehensive list. Other barriers may qualify and specific circumstances will be discussed prior to enrollment. Documentation is required for every and all qualifiers.

Paid work opportunity for students ages **14-21**. Grant-funded by the Bristol Workforce Investment Board, this program partners with local high schools and employers to provide students with an internship-type learning experience that prepares youth to succeed in the workplace and beyond!
